---

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

### **Minor issues**

#### *What is the issue?*

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

The comparative figures in the Accounting Statements do not agree to the audited figures for last year and the carried forward figure is different to last year's audited figure by £1.

The comparative figures disclosed in the Accounting Statements of the Annual Return do not agree to the audited Annual Return for the year ended 31 March 2019. The comparative figures for the year ended 31 March 2019 were restated. We have reviewed the adjustments made and we are satisfied they are correct.

#### *Why has this issue been raised?*

This is to draw these minor errors to the attention of the council.

#### *What do we recommend you do?*

The council should ensure in future years that the above minor errors or omissions are not included in the Accounting Statements.
