Counc. K Taylor had informed the clerk that a member of the public, had contacted him to advise that her son had fallen in his wheelchair when a wheel had gone into a hole in the tarmac in Parc Mwd. She also suggested that the situation could be improved if lighting was placed around the entrance gates to the Park. Oherwydd hyn, 'roedd perygl y byddai mwy o dyllau yn dod i'r golwg yn y dyfodol. Cytunwyd mewn egwyddor fod angen cael adroddiad arbennigwr tarmac ar gyflwr y maes parcio gyda chynnigion ar sut i'w wella. Pe byddai'r gost yn uchel, fe fyddai angen cysidro benthyca arian drwy'r PWLB er mwyn cyfarfod y gost dros gyfnod o flynyddoedd. Clerk i gysylltu gyda arbennigwyr tarmac ac adrodd yn ol.

There was discussion regarding the condition of the tarmac in Parc Mwd and it was noted that a "top coat" of tarmac had not been placed around 20 years ago when the parc was set up as the contractor had gone out of business. In view of this, there was a danger that more holes would appear in future. It was agreed in principle that there was a need to obtain a tarmac specialist report on the condition of the car park together with suggestions on how it may be improved. Should the cost be high, there would be a need to consider a loan through the PWL in order to meet the cost over a period of years. Clerk to contact tarmac specialists and report back.

'Roedd copi o'r adroddiad gyllidol wedi ei chylchredeg ynghyd a chopi o gofnodion y Pwyllgor Ariannol a gynhaliwyd ar 12.10.16. Cyflwynodd y cleric adroddiad Monitro'r Gyllideb ar gyfer chwarter 2 .gan dynnu sylw aelodau i'r ffaith fod arian bellach wedi cael ei

osod ar un ochr , neu wedi ei gymeradwyo yn barod, ar gyfer costau lle nad oedd arian wedi ei glustnodi ar eu cyfer pan sefydlwyd y gyllideb ar gyfer 2016/17. Byddai hyn lleihau'r syrffled ar ddiwedd Mawrth 2017 o £6260 i o gwmpas £3766 ac felly fe fydd angen monitro gwariant hyd at ddiwedd Mawrth 2017 er mwyn sicrhau fod gwariant dan reolaeth.

A copy of the financial report had been circulated together with a copy of the minutes of the Finance Committee held on 12.10.16.

The clerk presented the Budget Monitoring report for quarter two, and drew members' attention to the fact that monies had by now either been set aside, or already approved, to cover costs for which funds had not been earmarked when the budget for 2016/17 was set . This would result in a reduction in the projected surplus at the end of March 2017 from an estimated £6260 to approximately £3755 thus monitoring of expenditure to the end of March 2017 would be required to ensure that expenditure is under control.

It was agreed that this was a true and accurate statement of the budgetary position to date and that the budget was under control with arrangements in place to meet additional unplanned expenditure. On this basis, it was proposed that the report be accepted.

Cynnig/EiLWR/MSW Prop/Sec
