This is to detriment of local residents's enjoyment of the peace and quiet which has previously been associated with the area. <p>Application 49C332 is to build an additional dwelling to be used as a holiday let, sleeping ten people. This would lead to overdevelopment of the site and an exacerbation of the existing problems as potentially, the site would in total offer 34 bed spaces for holiday letting.</p> <p>There is also a preservation order on some of the trees on the site and these should not be felled to make way for an additional property.</p> <p>Prop/ Sec: HW/MSW</p>
