4. Cyflwyniad gan Gethin Jones, Arolygydd Dros Dro (Ynys Mon) Heddlu Gogledd Cymru/Presentation by Gethin Jones, Acting Inspector (Anglesey) North Wales Police

Croesawyd Gethin Jones, Arolygydd Dros Dro (Ynys Mon) i'r cyfarfod. Pwrpas yr ymweliad oedd i ymgynghori ynglyn a chau Gorsaf Heddlu'r Fali a chael cefnogaeth aelodau i ymofyn lleoliad arall ble byddai'r PCSO yn gallu cynnal syrjeri yn y pentref dair gwaith yr wythnos. 'Roedd staff oedd wedi ei lleoli ar hyn o bryd yn y Fali yn symud i Gaergybi yn ystod yr wythnos nesaf, gyda'r orsa bresennol i'w gwerthu a'r arian i gael ei fuddsoddi yng Ngogledd Cymru ond nid yn benodol yn y Fali. Teimlir fod hyn yn ymateb byr dymor, gan na fyddai'r arian a godwyd drwy werthu'r adeilad yn cyflogi ond nifer bychan o plismyn am gyfnod o flwyddyn pan fyddai'r ased, sef yr adeilad, cymunedol wedi ei golli'n gyfangwbl. 'Roedd aelodau o'r farn y gall yr heddlu wneud gwell defnydd o'r adeilad, efallai drwy rentio ystafelloedd, a fyddai'n gwneud yr adeilad yn hunan gynnaliadwy yn ariannol.

Mynegodd yr aelodau bryderon yn cynnwys nad pwrpas y cyfarfod oedd i ymgynghori gan fod y penderfynniad i gau yr orsa eisioes wedi ei wneud. 'Roedd aelodau wedi gwrthwynebu'r cynnig i gau'r orsa yn gynharach ac yn teimlo er fod yr ystadegau yn dangos mae ychydig o ddefnydd oedd yn cael ei wneud o'r orsa, fod hyn fwy i wneud gyda'r ffaith nad oedd presenoldeb yr heddlu yno ac fod pwysor'r botwm yn ei rhoi trwodd i Fae Colwyn, felly roedd y gwasanaeth lleol wedi ei golli'n barod. Mynnegwyd pryder hefyd mae ychydig iawn o dystiolaeth weladwy o PCSO oedd yna yn y pentref.

Gan fod y penderfynniad i gau yr orsa eisioes wedi ei wneud, cynnigodd yr aelodau fod yr heddlu yn cysylltu a'r Eglwys er mwyn gweld os oedd modd cynnal y surjeris yn Neuadd yr Eglwys, efallai run amser a dyddiau'r farchnad, h.y Dydd Sadwrn a Dydd Iau, rhwng 9 yb a 2 yb. Gofynnir hefyd am fwy o bresenoldeb gan y PCSO yn y pentref..

Cytunnod Gethin Jones i farchnata mwy ar rifoedd ffon galwadau brys a galwadau di-frys, sef 999 a 101. Cytunnodd hefyd i adolwg amyldei presenoldeb y PCSO yn y pentref.

Gethin Jones, Acting Inspector (Anglesey) was welcomed to the meeting. The purpose of his attendance was to consult on the closure of Valley Police Station and seek the support of the members to locate alternative accommodation for PCSO's to hold surgeries in the village 3 times per week. Staff currently located in Valley were to move to Holyhead within the week, with the station building to be sold. The revenue was to be reinvested in North Wales but not specifically at Valley. It was pointed out that this was an extremely short-sighted approach as the sale of the

building would only fund a small number of PCSO's for a year, whilst the asset, i.e. the building would be lost forever as a valuable community source. It was considered that better use could be made of the building by the police, possibly by renting space out, making the building financially self sustainable.

Members raised a number of concerns including the fact that this meeting was not to consult as the decision to close the station had already been made. Members had already objected to the closure of the station and felt that statistics showing the usage was low was due more to the fact that the station was rarely manned and that pressing the button allowed visitors to communicate only with Colwyn Bay and therefore the local service had already been lost. Concern was expressed that there was currently little visible evidence of PCSO's in the village.

As the decision to close the station had already been made, members suggested that North Wales Police contact the local Church with a view to using the Church Hall to hold surgeries, possibly to coincide with market days, i.e. Saturday and Thursday between 9 a.m. and 2. p.m. In addition a request was made for more PCSO presence in the village.

Gethin Jones agreed to publicise the emergency/non urgent numbers of 999 and 101. He would also review the frequency of PCSO visits to the village.

The solicitors acting on behalf of the Valley Community Group had raised some queries in relation to the proposed lease. The clerk had discussed the queries with the Council's solicitor and advised the members accordingly:-

- a) The VCG were requesting a right of way over the Council's land known as the pavilion land both on foot and for vehicles although they point out vehicular access will be mostly for the installation of equipment and maintenance.

It had previously been agreed that access directly onto the site would be via the gate on the public highway therefore no right of way was required. Prop/Sec HW/GB

- b) The VCG would like an option to renew the lease for a period of five years.

Agreed but Valley Community Council reserve the right to increase the rent no more than in line with inflation over the period of the current lease. Prop/Sec HW/BR.

- c) VCG request the Council's written consent to erect recreational equipment.

Clerk to write to give consent. Prop/Sec HW/BR.

- d) There is a proposed covenant to obtain a risk assessment for the marsh/pond area. VCG indicated that this report will be disclosed should it be required but they deem the risk as a risk for the tenant and they therefore do not consider that the clause should be inserted in the lease.

Agreed that this clause should remain. Prop/Sec GB/MSW.

- e) VCG request the written consent of the Council to apply for planning permission for the recreational development.

Clerk to write to give consent. Prop/Sec HW/BR

- f) VCG do not wish clauses in the lease preventing them from damaging any trees, shrubs, plants or hedges and also would not wish a covenant restricting lighting equipment on the land.

Covenant preventing the VCG from damaging any trees, shrubs, plants or hedges to be retained. Prop/Sec HW/MSW.
