5. Materion yn codi o'r cofnodion / Matters arising from the minutes 17.09.14

1. Maes Parcio/Car Park

By trafodaeth ynglyn a chais a dderbyniwyd oddiwrth y Cyngor Sir yn cynnig les i'r Cyngor Cymuned pe byddent yn cytunno i drosglwyddo rheolaeth y maes parcio o ddydd i ddydd.

'Roedd y Cyngor Sir wedi ymateb i gwestiynau blaenorol:-

1) Pwy fyddai'n gyfrifol am dorri'r coed a'r perthi? *Mae cynnal ardaloedd tir glas fel a geir o amgylch maes parcio y Fali yn rhan o gontract sydd gan y gwasanaeth. Os nad oes unrhyw arbedion drwy beidio a chynnwys y safle yma yn y contract, yna gall y Cyngor Sir barhau i wneud y gwaith yma hyd at ddiwedd y gontract bresennol.*

2) Pwy fyddai'n gyfrifol am y goleuadau?

Y Gwasanaeth Priffyrdd fydd yn parhau i gynnal a thalu am y goleuadau.

3) Pwy fyddai'n gyfrifol am y ffens a'r meinciau?

Y Gwasanaeth Priffyrdd fyddai yn cynnal y ffens/terfyn o amgylch y maes parcio. Y Cyngor Cymuned byddai yn gyfrifol am unrhyw feinciau ar y safle.

4) Pwy fyddai'n gyfrifol am dalu'r dreth ar y maes parcio? 'Rwyf wedi fy hysbysu gan yr Adran Dreth fod y cyfanswm yn £3,100 a bod hyn yn cynnwys y toiledau ar mar marcio. Bydd angen i'r Cyngor Cymuned dalu cyfran o'r costau treth yn berthnasol i'r maes parcio.

5) Fyddai'r Cyngor Sir yn trefnu i ffensio o gwmpas y toiledau fel nad ydynt yn rhan o'r maes parcio bellach?

Os bydd y toiledau yn cael eu gwerthu yna byddai angen i'r Cyngor Sir osod terfyn o amgylch yn hyn sy'n cael ei werthu. Gall hyn gynnwys rhan o'r maes parcio presennol.

6) Fyddai'r Cyngor Sir yn galli rhoi rhyw syniad o'r costau fyddai ynglwm a rhedeg y maes parcio i'r dyfodol? Ee. Cynnal a chadw'r tarmac. Byddai'r Gwasanaeth Priffyrdd yn sicrhau fod cyflwr y maes parcio gan gynnwys y wyneb o safon dda cyn unrhyw drosglwyddiad. Nid wyf yn rhagweld yr angen i wario ar gynnal gwyneb y maes parcio o fewn cyfnod unrhyw les fyddai'n cael ei gynnig.

7) Ar hyn o bryd mae biniau ail gylchu yn y maes parcio. Fedrwch chi gadarnhau os bydd rhain yn aros a phwy fydd yn derbyn unrhyw incwm ohonynt? Beth bynnag fydd yn digwydd, nid wyf yn gweld yr angen i newid y trefniant presennol ynghylch a'r biniau ail gylchu.

8) Pwy fynddai'n gyfrifol am yswiriant ar y maes parcio? Pe bai les yn cael ei gytuno, yna y Cyngor cymuned fyddai yn rheoli a gweinyddu defnydd o'r maes parcio, yna byddai'n ofynnol i'r Cyngor Cymuned hysbysu ei yswiriwr o hyn.

Bu trafodaeth pellach ynglyn a:

Cynnig parcio di-dal

Cynnig tocynnau parcio taliadway ar gyfer busnesau.

Yr agen i reoli parcio hir dymor neu dros nos.

Pwy fyddai'n gyfrifol am farcio'r maes parcio.

Dim ateb cadarnhaol ynglyn a phwy fyddai'n elwa o'r biniau ail gylchu.

Dim ateb cadarnhaol ynglyn a faint o dir fyddai yn cael ei gad war gyfer gwerthu'r bloc toiledau.

Efallai byddai problemau adnabod cyfrifoldebau pe byddai damweiniau yn y maes parcio a dim sicrhau y byddai'r Cyngor Sir yn cynnal a chadw'r tir glas o gwmpas y safle.

Efallai dylai ystyried gofyn i'r Cyngor Sir gadarnhau os y byddent yn cysidro derbyn cyfranniad ariannol gan y Cyngor Cymuned i barhau gyda'r trefniadau cynnal a chadw presennol, gyda'r Cyngor Cymuned hefyd yn cynnig cymorthdal er mwyn cynnig parcio di-dal.

Mae aelodau o'r Adran Briffyrdd y Cyngor Sir wedi derbyn gwahoddiad i fynyachu cyfarfod mis Tachwedd er mwyn ymateb i unrhyw gwestiynau ychwanegol.

There was discussion regarding a request from the Council Council offering a lease to the Community Council should they agree to a request to transfer of the day to day management of the car park

The County Council had responded to a previous set of questions:-

1) *Who would be responsible for cutting the trees/grass? Maintaining green areas such as that which is around the car park in Valley is part of a service contract. If no savings are to be made from not including this site in the contract, then the County Council could continue with this work until the current contract is terminated.*

2) *Who would be responsible for the lighting?
The Highways Department would continue to maintain the lighting.*

3) *Who would be responsible for the fences and benches? Highways Department would continue to maintain the fence and boundaries around the car park. The Community Council would be responsible for any benches on the site*

4) *Who would be responsible for paying the council tax on the car park? I have been advised by the Council Tax Department that the total cost is £3,100 but that this includes the toilets and the car park. The Community Council would need to pay a percentage of the cost of council tax, in relation to the car park.*

5) *Would the County Council arrange to fence around the toilets so that they would no longer be part of the car park?*

If the toilets are sold, then there would be a need for the County Council to erect a boundary around the area being sold. This may include part of the current car park.

6) *Would the County Council be able to provide an indication of costs associated with running the car park in the future, e.g. maintaining the tarmac.*

The Highways Department would ensure that the condition of the car park, including the tarmac, would be of a good standard before any transfer. I don't foresee a need to spend on maintaining the car park surface within the period of any lease to be offered.

7) *At the moment there are recycling bins in the car park. Could you confirm whether these will remain and who will be in receipt of any income from them? Whatever happens, i don't foresee a need to change the current arrangements regarding the recycling bins*

8) *Who would be responsible for insuring the car park? If a lease was agreed, then the Community Council would be managing and administering use of the car park, then it would be a requirement for the Community Council to advise their own insurers accordingly.*

Further discussion took place regarding:

Ability to offer free parking.

Offering chargeable parking permits to the businesses.

The need to manage long stay and overnight parking.

Who would be responsible for marking the car park.

A lack of definitive response regarding who would benefit financially from the recycling

bins.

No definitive answer regarding how much land would be required if the toilet block was to be sold.

A risk that it may be difficult to separate and identify who may be responsible should accidents occur within the car park and concern that only provision of maintenance of the

green areas may only be temporary. Therefore Community Council would need to build the cost into their cost appraisal for the scheme.

There may be a need to consider asking the County Council whether they would consider accepting a financial contribution from the Community Council on the basis that they continue with the current maintenance agreement, with the Community Council also offering to subsidise free parking in the car park.

Officers from the Highways Department had been invited to attend the November meeting to discuss any outstanding issues.

2. Cytundeb torri gwair/Grass Cutting Contract

Derbynniwyd tri cais ar gyfer y cytundeb torri gwair a bu trafodaeth manwl ynglyn a nhw, gan gysidro prisiau ac ansawdd gwasanaeth a'r dogfennau tendro y roddwyd ymlaen.

By dau gynnig, sef:-

Rhys Williams, Llanerchymedd. Cynnig/Eil KT/CF.

O blaid: Cyng KT,WR, CF a HW.

GMS, Caergybi.

Cynnig/Eil GB/DG

O blaid: Cyng DW, DG, GB, MSW.

Gan fod y niferoedd o blaid yn gyfartal, ac yn unol a rheolau sefydlog y Cyngor Cymuned, gan y Cadeirydd mae'r bleidlais fantol, felly bydd y cytundeb yn cael ei osod i GMS.

Three applications for the grass cutting contract had been received and these were discussed in detail, taking into consideration cost and quality of service and tender documents submitted. Two proposals were put forward:-

In favour: Cyng KT,WR, CF a HW.

GMS, Caergybi.

Prop/Sec GB/DG

In view that the numbers in favour were equal, and in line with the Community Council's Standing Orders, the Chariman has the casting vote and therefore the contract will be awarded to GMS.

Byddai contractwyr yn ei cynnal a chadw am gyfnod a byddai'r coed yn dod o ffynhonnell leol. Byddai Jules Cooper angen cadarnhad y byddai'r coed yn cael parhau yn y man plannu hir dymor. 'Roedd Cyng H Wilson yn fodlon i weithio gyda Jules Cooper i sicrhau eu bod yn cael eu plannu mewn lle addas a gosodwyd ei chynlluniau o flaen y Cyngor. Cytunnwyd i gefnogi'r fenter gyda Cyng. Wilson yn arwain ar ran y Cyngor Cymuned../Coun. The contractors would maintain them for a period of time and the trees would be sourced locally. Jules Cooper required confirmation that the trees would be allowed to remain in place for the longer term. Councillor Wilson was willing to work with Jules Cooper to ensure that they were planted in a suitable location and set out the plans before the Council.
