2a	<p>Parcio Pentyffryn (Stanley Avenue)</p> <p>Adroddodd PCSO Jones ei fod wedi dosbarthu taflenni a wedi siarad gyda unigolion ynglyn a pharco di-feddwl ar Stad Pentyffryd. Byddai yn parhau i fonitro'r sefyllfa ac yn cysylltu gyda unigolion sydd yn creu problemau drwy barcio'n ddi-feddwl ar y stad.</p> <p>Mynegwyd pryder hefyd ynglyn a sefyllfa barcio ar y palmentydd ar y ffyrdd yn Pentyffryn, Field Street, croesfordd Gorad i Penrodyn o Lôn Gorad a Tan y Bryn.</p>	<p>Parking Pentyffryn (Stanley Avenue)</p> <p>PCSO S Jones reported that he had carried out a leaflet drop and spoken to individuals regarding inconsiderate parking on the Pentyffryn Estate. He would continue to monitor the situation and would contact individuals who caused problems through inconsiderate parking on the estate.</p> <p>Concern was also expressed regarding the parking on pavements situation in Pentyffryn, Field Street, crossroads fro Gorad to Penrodyn from Gorad Road and Tan y Bryn.</p>

'Roedd Adran Briffyrdd y Cyngor Sir eisioes wedi ymateb yn cadarnhau fod parcio ar balmentydd yn broblem enfawr ac un sy'n achosi anhawster i gerddwyr, yr oedrannus, plant, pobl gyda nam golwg a phobl mewn cadair olwyn. Mae pwerau gorfodaeth swyddogion parcio'r Cyngor wedi eu cyfyngu i waharddiadau parcio gweledol fel llinellau melyn dwbl, safleoedd anabl, safleoedd parcio cyfyngedig, ayyb. Nid oes pwerau ganddynt hwy i ddelio a materion parcio cyffredinol fel parcio ar Balmant neu barcio yn rhu agos i gyffordd. Mae gorfodi'r math yma o barcio yn fater i'r heddlu. Mae Llywodraeth Prydain a Chymru yn edrych ar newid deddfwriaeth er mwyn galluogi cynghorau sir i orfodi parcio ar balmentydd ond ar hyn o bryd mae'r cyfrifoldeb yma dal yn nwylo'r heddlu.

Parcio o flaen y Swyddfa Bost

Gofynnir i Adran Briffyrdd y Cyngor Sir am sylwadau ynglyn a'r sefyllfa barcio o flaen y Swyddfa Bost, gyda phosibilirwydd o gael dull dim gofeddgarwch. Yr ymateb oedd fod y sefyllfa lle'r bod angen disgwyl am gyfnod y 5 munud cyn gellir gosod cosb ar gerbyd sydd wedi ei leoli ar linellau melyn dwbl yn rhwystredig i'r swyddogion parcio hefyd. Mae'r cyfnod yma yn cael ei ddefnyddio gan bob cyngor wrth orfodi llinellau melyn dwbl. Yr unig ffordd i wneud hi yn bosib i osod dirwyon yn syth yw newid y cyfyngid parcio o flaen y siop. Maen bosib cyflwyno cyfyngiad 'dim llwytho' i gyd fynd gyda'r llinellau melyn dwbl. Yn arferol gellir parcio ar linellau melyn dwl ar gyfer llwytho neu ddadlwytho nwyddau neu cyd deithwyr neu am gyfnod o dair awr gyda bathodyn glas anabl. Gellir atal parcio am y rhesymau yma drwy gyflwyno cyfyngiad dim llwytho. Byddai'r math yma o gyfyngiad yn galluogi gwell gorfodaeth o'r llinellau melyn ond ni fyddai yn bosib i gerbydau masnachol barcio o flaen y Post ar gyfer dadlwytho nwyddau i'r siop. O ystyried hyn nid wyf yn meddwl ei fod yn ymarferol i gyflwyn gwaharddiad dim 'llwytho' o flean y siop.

The County Council's Highways Department had already responded, confirming that parking on pavements was a huge problem and once which caused difficulties for pedestrians, the elderly, children, people with impaired vision and wheelchair users. The enforcement powers for the Council's parking officers is restricted to visual parking restrictions, e.g. double yellow lines, disabled spaces, restricted parking areas etc. They do not have the powers to deal with general parking matters such as parking on pavements or too close to a junction. Enforcing this type of parking problem is a matter for the police. The UK and Welsh Governments are currently looking at changing the legislation in order to be able to allow county councils to enforce parking on pavements but at this moment in time, this responsibility remains in the hands of the police.

Parking in front of the Post Office

Isle of Anglesey County Council's Highways Department had also been asked to comment on the parking situation in front of the Post Office, with a view to having a "zero tolerance" approach. The response was that the situation where there is a requirement to wait for a period of five minutes before issuing a parking fine on vehicles parked on double yellow lines is also restrictive to the parking officers. This period of time is used by every council when enforcing double yellow lines. The only way to make it possible to issue immediate fines is to change the parking restrictions in front of the shop. It would be possible to present a "no loading" restriction to go with the double yellow lines. Usually, you can park on double yellow lines to load and unload goods or passengers for a period of three hours with a blue disabled badge. You can restrict this type of parking by presenting a no loading restriction. This type of restriction would enable better enforcement of the double yellow lines but it would not be possible for vehicles to park in front of the Post to unload goods to the shop. In view of this it was agreed that it would be impractical to present a "no loading" restriction in front of the shop.
