5	Materion yn codi 20.01.21	Matters arising 20.01.21
5.1	Ymgynghoriad y cloc – diweddariad Adroddodd y clerc y byddai'r holiadur ymgynghori	Clock consultation update The clerk reported that the consultation

	ar wefan y Cyngor Cymuned yn fuan.	questionnaire would be on the Community Council website shortly.
5.2	Ffioedd les clybiau pel droed Roedd yr ebost a dderbynniwyd oddiwrth y Clwb Pel Droed Iau wedi ei gylchredeg. Cytunnwyd y byddai ffioedd ar gyfer 2021/22 yn cael eu hadolygu pan oedd yn amser gyrru anfonebau allan mis Gorffennaf. 6	Materion Plwyfol	Parochial Matters
6.1	Cwyn ynglyn a phroblemau traffig / parcioStation Road Yn dilyn pryderon a godwyd ynglyn a risg o niwed i gerddwyr oherwydd parcio anystyriol ar Station Road, tynnwyd y mater Isylw Adran Briffyrdd Cyngor Sir Ynys Môn. Cadarnhaodd Swyddog eu bod wedi derbyn nifer o alwadau ynglyn a'r sefyllfa a wedi gyrru swyddogion gorfodaeth parci i'r ardal, fodd bynnag fe wnaeth gydnabod fod hyn yn helpu'r sefyllfa ar yr adeg ond pan nad oedd swyddogion parcio yn y man, 'roedd y broblem parcio yn ail-godi. Oa oedd arian grant ar gael yn y gorffennol ar gyfer croesfan ee zebra neu puffin tu allan I'r siopao yn Valley, codwyd pryderon ynglyn a cholli lle parcio a'r effaith ar ddanfoniadau I'r siopau. Fodd bynag, yn dilyn tynnu'r llefydd parcio, a'r parcio di-dal ar gael yn y maes parcio gerllaw, 'roedd y sefyllfa wedi newid. Gofynnodd y Cyngor pa lefel o gefnogaeth fyddai yn y pentre ar gyfer gosod croesfan ar Station Road. Byddai hyn, nid yn unig yn help cerddwyr ond hefyd yn gwella rhediad y traffig ar hyd Station Road gan y byddai gyrrwyr yn llai tebygol o barcio ar farciau zig-zag sydd yn cael ei gosod pob pen i'r groesfan. Pe byddai gyrrwyr yn parcio ar y marciau, byddai cosb ar unwaith yn cael roi am hyn ac nid oes unrhyw waharddiadau am barcio ar groesfan. Pe byddai cefnogaeth am groesfan, byddai cynllun newydd a chostau yn cael eu paratoi gan y Cyngor a gwaith i chwilio am ffynhonnell i ariannu hyn, gyda chais grant yn cael ei chyflwyno i Lywodraeth Cymru. Oherwydd fod y groesfan rheilffordd yn agos, byddai angen trafod gyda Network Rial yn fuan oherwydd byddai hyn yn gallu effeithio ar y math o groesfan fyddai yn cael ei gosod. Byddai'r gwaith o sicrhau arian yn gallu cael ei wneud yn	Complained re traffic/ parking issues Station Road Following concerns raised about the risk of injury to pedestrians due to inconsiderate parking on Station Road, the matter had been brought to the attention of Isle of Anglesey County Council's Highways Department. An officer confirmed that they had received numerous calls regarding the situation and, in response had deployed its parking enforcement officers to the area, however acknowledged that whilst this helped the situation at the time, when the parking officers were not in attendance, the parking issue reoccurs. When grant funding was available in the past to provide a crossing point such as a zebra or puffin outside the shops in Valley, concerns had been raised about the loss of parking and implications of deliveries to the shops. However, following the removal of the parking spaces, and free parking made available in the nearby car park the situation has changed. The Council enquired as to the degree of support for the installation of a crossing on Station Road. This would not only facilitate pedestrians but also improve the flow of traffic along Station Road as motorists would not be as likely to park on zig-zag markings which are provided on each side of the crosssings If a motorist did park on the markings then an instant penalty could be issued for this contravention and there are no exemptions for parking on a crossing point. Should there be support for a crossing point then new plans and costings could be drawn up by the Authority and work undertaken on finding a source of funding and the submission of a grant application to Welsh Government. Owing to the nearby railway crossing any proposal would need to be discussed with

	2021/22 gyda'r bwriad o osod y groesfan yn 2022/23 'Roedd yr aelodau yn gefnogol o osod croesfan a cytunnwyd i geisio cael safbwyntiadau trigolion y pentref drwy holiadur i'w osod ar y wefan er mwyn pwyso mesur cefnogaeth lleol. Cynnig/Eil MSW/HW	Network Rail at an early stage which may have implications as to the type of crossing which could be installed. The work of securing funding could be undertaken in 2021/22 with a view to installing a crossing in 2022/23. Members were supportive of the installation of a crossing and resolved to seek the views of the residents of the village by means of a questionnaire to be placed on the website in order to establish local support. Prop/Sec MSW/HW

Beecroft - dim gweithred bellach oherwydd fod y mater wedi cael ei dynnu at sylw Cyngor Sir Ynys Mon yn ddiweddar a nododd nad oedd yn gwarantu ymyrraeth 4. Yr hen siop Valley Design – eiddo "dolur-llygaid" gyda llechi yn slipio oddiar y to – gofyn i Gyngor Sir Ynys Mon ymchwilio'r sefyllfa ac, os yn posib, gofyn i'r perchennog dwtio'r safle a gwneud yn saff fel bo'r angen. Cynnig/Eil HW/IWJ	Complaint regarding sites in the village A complaint had been received regarding the condition of a number of sites in the village and it was resolved to proceed as follows:- 1. Garage – enquire as to the plan to renovate the site but also raise concerns about the condition of the canopy and the wall from a health and safety perspective. 2. Site next to the Bull Hotel – eyesore property with a request to Isle of Anglesey County Council to investigate the situation and, if possible, request the owner to tidy up the site. 3. Beecroft – no further action as the matter had recently been drawn to the attention of Isle of Anglesey County Council who indicated that it did not warrant intervention. 4. The old Valley Design shop – eyesore property with some slates slipping off roof – request Isle of Anglesey County Council to investigate the situation and, if possible, request the owner to tidy up the site and make safe if required. Prop/Sec HW/IWJ

Fe fyddai angen mynediad i'r toiledau yn ystod y dydd. Cytunnwyd i gysylltu gyda'r grwp i drefnu. Cynnig/Eil HW/CT Diolchwyd i Gynghorwyr Seeley a Browne were am glirio'r sbwriel yn ddiweddar.	Parc Mwd Rubbish – The chairman reported that a local group had offered to attend every Monday from 1st April onwards to pick up rubbish and undertake odd jobs required in Parc Mwd. They would require access to the toilet. It was resolved to contact the group to arrange. Prop/Sec HW/CT. Councillors Seeley and Browne were thanked for clearing the rubbish recently

	Graffiti yn y twnnel Roedd yr ardal yma yn disgyn o dan gyfrifoldebau UK Highways ac roedd Ardran Briffyrdd y Cyngor Sir wedi tynnu ei sylw at y graffiti gwrth-gymdeithasol gyda nhw. Y sefyllfa i gael ei monitor. Fe fyddai y grwp lleol yn fodlon paentio drosodd pe byddai nwyddau ar gael ond byddai angen cael caniatad UK Highways. Cau giatiau'r parc – Hyd nes y bydd y grwp lleol wedi cychwyn ar y gwaith clirio rheolaidd, cynnigwyd a phenderfynnwyd y byddai Cyng Torr yn cau giatiau'r parc am 8.00 yh bob nos ac ail-agor am 8.00 yb hyd nes 1af Ebrill. Hysbyseb i'w osod ar wefan y Cyngor Cymuned. Cynnig/Eil HW/WR	Graffiti in the tunnel This area was the responsibility of UK Highways and Isle of Anglesey County Council's Highways Department had raised the issue of offensive graffiti with them. The situation is to be monitored. The local group would be willing to paint over if materials were available but UK Highways' permission would be required.
