6.3	<p>Cais am rwyd/ardal pêl-fasged (NT)</p> <p>Adroddodd y Cynghorydd Taylor ei fod wedi derbyn manyleb gwaith gan Bala Homes, gyda chost wedi ei ragweld o oddeutu £10k.</p> <p>Cadarnhaodd y Cadeirydd y byddai hwn yn cael ei anfon ymlaen at y Grŵp Cynghrair a oedd wedi cytuno i gyflwyno cais am grant loteri i dalu'r gost.</p> <p>Byddai'r clerc yn cysylltu â'r Grŵp Cynghrair i sefydlu a fyddai angen unrhyw arian cyfatebol fel y gellid ei ystyried o fewn y broses gosod cyllideb ar gyfer 2023/24.</p> <p>Byddai safle addas ar gyfer y maes pêl-fasged o fewn Parc Mwd yn cael ei gytuno yn y dyfodol.</p>	<p>Request for a basketball net/area (NT)</p> <p>Councillor Taylor reported that he had received a specification of works from Bala Homes, with an anticipated cost in the region of £10k.</p> <p>The Chairman confirmed that this would be forwarded to the Alliance Group who had agreed to submit a lottery grant application to cover the cost.</p> <p>The clerk would contact the Alliance Group to establish whether any match funding would be required so that it could be considered within the budget setting process for 2023/24.</p> <p>A suitable site for the basketball area within Parc Mwd would be agreed in the future.</p>
6.4	<p>Twmpathau cyflyder Lon Spencer – (diweddariad ymateb oddiwrth Cyngor Sir Ynys Môn (wedi ei gylchredeg)</p> <p>Derbyniwyd ymateb gan Adran Briffyrdd Cyngor Sir Ynys Môn yn dilyn llythyr gan Gyngor Cymuned y Fali yn mynegi pryder nad oedd yr holl dwmpathau arafu traffig wedi eu hailosod yn dilyn gosod wyneb newydd ar Lôn Spencer.</p> <p>Nododd mai sefyllfa bresennol yr Awdurdod o ran twmpathau arafu traffig pan fydd ffordd yn cael ei hailwynebu yw eu bod ond yn cael eu</p>	<p>Speed Bumps Spencer Road – updated response from Isle of Anglesey County Council (circulated)</p> <p>A response had been received from Isle of Anglesey County Council's Highways Department following a letter from Valley Community Council expressing concern that not all traffic calming humps had been reinstated following the resurfacing of Lon Spencer.</p> <p>It noted that the Authority's current position in respect of traffic calming humps when a road is resurfaced is that they are only reinstated in locations such as outside schools.</p>

	<p>hadfer mewn lleoliadau megis y tu allan i ysgolion.</p> <p>Mewn llawer o sefyllfaoedd lleolir rampiau arafu traffig mewn ardaloedd preswyl gyda pharcio ar y stryd. Eu barn hwy yw bod cerbydau sydd wedi parcio ar ochr y ffordd yr un mor effeithiol wrth arafu cyflymder traffig â gosod twmpathau. Dyma oedd y ffactorau wrth ystyried y sefyllfa ar hyd Heol Spencer, yr arbedion a gafwyd o beidio ag ailosod twmpathau cyflymder yn cael eu defnyddio i ddarparu darnau mwy o arwynebau ffyrdd.</p> <p>Mae Cyngor Sir Ynys Môn yn bwriadu cynnal arolwg ar hyd y rhan o Heol Spencer i ganfod cyflymder presennol y traffig ar hyd y darn o ffordd lle mae'r twmpathau wedi'u symud.</p> <p>Nodwyd hefyd y byddai cyfyngiad 20mya yn cael ei weithredu ar Spencer Road ym mis Medi 2023. Fel rhan o'r fenter hon gan Lywodraeth Cymru, maent yn rhagweld y bydd cyfleoedd i geisio cyllid i roi mesurau arafu traffig ar waith mewn ardaloedd lle mae cydymffurfiaeth â'r terfyn 20mya newydd yn wael.</p> <p>Nododd aelodau'r Cyngor Cymuned fod ymateb Cyngor Sir Ynys Môn yn siomedig iawn, Nid oedd yn ystyried y ffaith bod y darn hwn o ffordd yn rhedeg ochr yn ochr â'r palmant a ddefnyddir gan blant i Ysgol Gymunedol y Fali. Roedd hyn yn ddo'i hun yn cynyddu'r risg o anaf difrifol i blentyn pe bai'n camu ar y ffordd ac y dylai diogelwch plentyn gael blaenoriaeth dros y gost o ailosod y twmpathau tawelu traffig blaenorol ac unrhyw arbedion ariannol gan Gyngor Sir Ynys Mon.</p> <p>Penderfynwyd ysgrifennu at Adran Briffyrdd Cyngor Sir Ynys Môn yn gofyn iddynt ail-ystyried eu penderfyniad.</p> <p>Cynnig/Eil SW/AW</p>	<p>In many situations traffic calming ramps are located in residential areas with on-street parking. It is their view that parked vehicles at the side of the road are just as effective in slowing traffic speeds as the placement of humps. These were the factors in considering the situation along Spencer Road., the savings gained from not reinstating speed humps being used to provide greater lengths of road surfacing.</p> <p>Isle of Anglesey County Council intend to undertake a survey along the section of Spencer Road to determine the current speed of traffic along the stretch of road where the humps have been removed.</p> <p>It was also noted that in September 2023 a 20mph restriction would be implemented on Spencer Road. As part of this Welsh Government initiative, they foresee that there will be opportunities to seek funding to implement traffic calming measures in areas where compliance with the new 20mph limit is poor.</p> <p>Community Council members indicated that Isle of Anglesey County Council's response was very disappointing, It did not take into consideration the fact that this stretch of road runs alongside the pavement used by children to Valley Community School. This in itself increased the risk of serious injury to a child if they stepped onto the road and that a child's safety should take precedence over the cost of re-instating the previous traffic calming humps and any financial savings made by the County Council..</p> <p>It was resolved to write to Isle of Anglesey County Council's Highways Department asking them to re-consider their decision.</p> <p>Prop/Sec SW/AW</p>
6.5	<p>Cysgfan bws ger y maes parcio gyferbyn a gwesty'r Fali)</p> <p>Roedd y Cynghorydd Taylor wedi cyfarfod â chynrychiolydd o Adran Briffyrdd Ynys Môn yn y lloches bws a chan fod adroddiad y peiriannydd strwythurol yn nodi nad oedd perygl fod y gysgodfan bws ar fin disgyn, cynigiodd na ddylid cymryd unrhyw gamau i gael gwared ar y lloches a bod y mater cael ei adolygu ym mis Ionawr 2023.</p> <p>Cynnig/Eil KT/GB</p>	<p>Bus shelter by the car park opposite Valley Hotel</p> <p>Councillor Taylor had met a representative of Isle of Anglesey's Highways Department at the bus shelter and, as the structural engineer's report indicated there was no imminent danger of the bus shelter falling down, proposed that no action be taken to remove the shelter and that the matter be reviewed in January 2023.</p> <p>Prop/Sec: KT/GB</p>

6.6	<p>Ysgol Fali</p> <p>Cyflwynodd y Cynghorydd Browne, yn absenoldeb y Cynghorydd H Williams, adroddiad i'r Cyngor Cymuned yn dilyn cyfarfod diweddar Corff Llywodraethol Ysgol Gymunedol y Fali. It was noted:-</p> <ul style="list-style-type: none"> • Increased pupil numbers (106) • Defibrillator cabinet repaired and fully functional • Links established with the Community Council recognised as good practise and included in yearly report to parents and Estyn. This link to be maintained. • Future priority is to focus on the new curriculum. • Year 5/6 have presented draft logos for use by the Community Council and final logo to be agreed and digitalised in due course. • Pupils have put forward proposed street names to Bala Homes for the new estate.
