Although two unusual meetings were held in August – which now seems like the "new normal". On behalf of the council, the Chair congratulated the individuals in the community who received GCSE or A Level results over the summer, and wish them every success as they progress towards their future endeavours and ambitions. He noted that this meeting marked the end of the clerk's service with the council after a period of two and a half years. During this time, there has been a significant change in the way the council operates, and the Park is not the same place as it was before the clerk joined. He noted it has been a privilege to work with her as the Chairman, and on behalf of the council, he wished her every blessing and every good wishes in the future. He welcomed Ms A Jones the new clerk to the meeting. The Chair noted that the PCSO's present would speak after item 128/2526.
